

# *Ard a Lume*

2 0 2 2

*Ard aLume is an artisan stained glass studio producing unique gifts and ornaments, that capture the heart as well as the eye. Everything in their range is handmade, using traditional methods and materials and with the utmost attention to details. The result is an extensive selection of products that is exquisite and varied; from unique Celtic heritage items to an array of Christmas decorations that are to be cherished and kept.*
